October 1, 2020

Dear Eustis-Farnam Parents,

The United States Department of Agriculture has issued a nationwide waiver allowing all public schools including the Eustis-Farnam school meal service to use the Summer Food Service Program (SFSP) through December 2020. Eustis-Farnam has not been a part of the SFSP in past years because we did not meet the qualifications. Due to the waiver, Eustis-Farnam is now able to participate.

What this means is from October 1, 2020 through December 18, 2020 or until funds run out ALL students who choose to eat, regardless of meal status (paid, reduced or free), will eat FREE breakfast and lunch in the Eustis-Farnam cafeteria. Seconds and extra milks will remain cost items for students.

If you have questions or need more information please contact Teresa Johnson at the school at 308-486-3991.

Thank you.

Sincerely,

Steve Sampy, Supt.  
Eustis-Farnam
